SPRING 2026 UPDATE

This Spring has been filled with momentum, new relationships, open doors, and opportunities to impact coaches and athletes across the greater Salem area with the Gospel of Jesus Christ. God continues to move through campus huddles, chapel services, community partnerships, and sports outreach.

We are incredibly grateful for every prayer, conversation, donor, volunteer, coach, pastor, and supporter helping make this mission possible.

NEW FCA HUDDLES COMING FALL 2026

We are excited to announce several new schools preparing to launch or relaunch FCA Huddlesthis upcoming fall:

- **Stayton High School**
- **Dallas High School**
- **Salem Academy**
- **Silverton High School**
- **Western Christian**
- **Central High School**

These campuses represent hundreds of students and coaches who will now have greater opportunities to hear the Gospel, build authentic community, and grow in their faith.

BUIDLING UNITY ACROSS THE SALEM AREA

One of the most exciting developments this spring has been growing collaboration with local ministries, churches, youth pastors, and parachurch organizations through the greater Salem area.

We are currently working toward organizing a large community wide, “Field of Faith” gathering - bringing students, churches, athletes, and ministries together for one purpose: Lifting up the name of Jesus.

Rather than competing for attention, we believe the Church is strongest when it works together.

CAMPUS MINISTRY CONTINUES TO GROW

This spring has also provided incredible opportunities to speak at chapel services, campus FCA huddles, team devotionals, athletic events, and community gatherings.

Relationships continue to deepen with coaches, administrators, pastors, business leaders, and families throughout the Willamette Valley.

SUMMER SPORTS OUTREACH IS COMING

We are thrilled about the upcoming Salem Area FCA Basketball Clinic this summer featuring high-level instruction, mentorship, and Gospel-centered impact.

This clinic is about much more than just basketball. It's about using sports as a platform to build confidence, develop leadership, create mentorship opportunities, and share the hope of Jesus Christ.

We are also beginning preparation for future FCA sports camps, community outreach events, our FCA Golf Tournament, and continued growth of the FCA Banquet and fundraising efforts.
